- 60GB (4200RPM) Hard Drive ⁽⁷⁾
- 802.11b/g WLAN & Bluetooth ⁽¹⁰⁾ ^(10a)

WHAT'S A MINI?

Easier to use than a smartphone. Easier to carry than a notebook.

Minis offer the functionality you need to get online plus stay in touch and entertained. To support your always-on lifestyle, it's time to consider the perfect companion PC. Introducing the HP Mini 1000. Ultra mobile starting at 2.4 lbs and less than 1-inch thin, the HP Mini 1000 provides a convenient alternative to carrying your primary notebook PC everywhere you go. It offers quick, easy access to online resources and digital entertainment—at a compellingly low price point.⁽¹⁵⁾

ULTRA MOBILE PERFORMANCE

Based on a ground-breaking new Intel® architecture, Intel® Atom processors provide reliable, energy-efficient performance optimized for Internet access and basic communication. Integrated 802.11b/g wireless LAN & Bluetooth enables high-speed wireless access where available and the convenience of connecting with other Bluetooth-enabled devices, including printers and mice to cell phones and headsets^(10b).

SURF COMFORTABLY

E-mail, instant messages, video chats, social networks, and more—the HP Mini 1000 helps you stay in touch whether you're moving around the house, around town, or across the country.⁽¹⁵⁾

The built-in HP Mini Webcam keeps you close to friends and relatives, and the near-full-size (92%) keyboard is more comfortable for most than the thumb keys on smartphones and PDAs. The 10.2" diagonal HP BrightView Infinity display delivers the frameless look of the future plus an expansive viewing area compared to other mobile devices.

WATCH. LISTEN. ENJOY!

The HP Mini 1000 lets you enjoy your own digital entertainment as well as online content. The spacious display enables comfortable viewing of e-mail, Websites, and streaming videos. You can even play a variety of casual games, online or off. And HP Upline enables you to store and access unlimited data from up to 3 PCs for 6 months at no additional charge. (Details included with product documentation.)

NEED A HAND?

Answers to your questions. Solutions to your problems.

Industry-leading, award-winning HP Total Care offers friendly, expert assistance around the clock, available by phone, e-mail, and online:

- Call 1.800.HP.INVENT (1.800.474.6836) for toll-free telephone support

(3) Intel's numbering is not a measurement of higher performance. (4) GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. (4a) Actual bus speed is less. Listed bus speed represents the equivalent effective throughput for data. (5) USB drives sold separately (7) 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 12GB of system disk is reserved for system recovery software. (8) High-Definition content is required to view high-definition images. (9) Actual speeds may vary. (10a) The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices (12) Weight will vary by

configuration. (20a) Up to 12GB of the hard drive is reserved for the system recovery software.
